Meet Elaine

Elaine is a Certified Dental Assistant and has been working with Smile Savers for almost 20 years. Many of you have had the pleasure of a little hand holding from her over the years. Elaine enjoys spending time with her 8 grandchildren and counting. Watch out Duggers! Elaine loves working in the dentistry field and building relationships with her patients. Thank you Elaine for all of your dedication to Smile Savers!

MEET The Smile Savers Dental Assistants

Dental Assistants require not only the right personality to make a patient feel comfortable in the dental chair but also significant training and hands on experience to be able to support the dentist in the provision of dental treatment. I am very fortunate to have almost 30 years of experience at my side here at Smile Savers. The presence of my fantastic assistants is invaluable and what makes our schedule stay timely.

Latoya enjoys reading, candy bars at lunch time and spending time with her family, especially her young niece and nephews. You can't miss her perfect smile and teeth when you meet her, both of which have brightened our office since her arrival in November of last year.

Congratulations to both Duke and Dayna who won the NCAA tourney last month. Dayna cleaned up in our office pool, her brackets were a complete guess but got her plenty of fame at Smile Savers.

Teeth Whitening Kits from the dentist produce faster results because they contain a stronger peroxide bleach than those purchased over the counter. Ask us about purchasing a Whitening Kit!
