A Word From Dr. Stewart

Well another year down and I have a lot to be thankful for. I still have my memory, eyesight and great looks, what else could I ask for...Just kidding about the eyesight.

I want to wish all of you a warm and healthy holiday season. I really am proud of my staff and patients and want all of you to know that if it wasn't for you, I would be flipping burgers by now.

See you next year and don't forget to live in the moment and keep smiling.

Dr. Daniel Stewart
